BE A PART OF THE SASKATCHEWAN SWEEP "STEAKS"

Friday, October 14 – Hereford Harvest Sale – 2:00 p.m.
Saturday, October 15 – ANL Polled Herefords & Guests Sale – 1:00 p.m.
Saturday, October 15 – C & T "Take The Next Step" Sale – 5:00 p.m.
Sunday, October 16 – Blair-Athol/Haroldson's & Friends – 1:00 p.m.
October 17 – Square D Annual Production Sale – 1:00 p.m.

ATTENTION JUNIORS!

This offering is loaded with high quality show prospects that are backed with maternal power! We are willing to assist Juniors with getting your purchases to Bonanza 2017 in BC. We are willing to feed, breed, halter break, and arrange delivery to the show. Please contact any of the sale consignors for more details!!

VIEW THE CATALOGUE ONLINE AT www.buyagro.com

From the desk at T Bar...

Although most livestock enthusiasts who attend on October 16th will not realize it but we are on the site of one of Canada's founding herds of Herefords in Canada. The homestead was established by great grandfather Thomas Lees in 1882. In 1905, the year that Saskatchewan joined Confederation, the house was built.... resided by fifth generation Jeff Lees and his family today. Through its early history, Blair Athol had Horned Herefords but switched to Polled cattle in 1963 by Duncan's father, Tom Lees, who untimely passed in the early seventies. Hereford heritage runs long and deep in the Lees family as both Duncan and his late father Tom, held office at the Canadian Hereford Association, being President and Vice President. Today, history continues to be made, as over the past several years, record setting prices have been achieved.

Sale Management

October 16th will write another page in Hereford history as hosts Duncan and Jeff from Blair Athol and Chad from Haroldson's, again present an outstanding lineup of Polled Hereford breeding stock. Over the past decade or more, the younger generation is taking over and moving the programs further and faster. They have proven that they always offer the competitive kind, exhibit them and win with them! New, fresh genetics are infused each year to add a competitive edge for their customers and their programs. The guest consignors, Til-Toba, Roselawn and Old Burchill Farm, always put their best foot forward and consign breeding females out of the replacement pastures to add a new genetic dimension of type and kind that will suit any and all programs.

For those who are juniors and planning to attend Bonanza in British Columbia in 2017, there are several exciting prospects that are eligible and most importantly...they will make great front pasture cows! Feel free to call any of the contributors, as they would be pleased to discuss your plans. The bred heifer lineup is powerful with more strength and depth ever - the right kind and carrying services from the right kind.

Plan to be a part of the "Sweepsteaks Weekend" of Hereford Fellowship, a little bit of history and some of the nation's best breeding cattle come early, view the offering, be guests for a noon luncheon....then get ready for Duncan's risque sale opening!

On behalf of the Lees, Wilsons, Mitchells, Wrays and Frietags, this is your invitation to be with us for a quality experience in this exciting breed.

If we, at T Bar C, may be of any assistance prior to or sale day, feel free to contact any of the T Bar Team or myself.... we will be pleased to assist.

Chris Poley

CE: 0.1 BW: 3.8 WW: 60.9 YW: 95.7 MM: 20.6 TM: 51.1
BW: 88 lbs.

Sometimes when breeding cattle, the cream rises to the top and just gives you goose bumps. Marvel 20D is just that kind. Many of the greats are in her pedigree. Limelight Lady 42P, many times Champion in Eastern Canada and dam of Can Doo. Marvel 78T and all the Marvels at Remitall West. Rachel 54N, dam of Revolution. Corey 138H out of the "Corey" family at Sandy Ridge.

Marvel 20D is so soft made, big topped, big boned, sweet fronted and so milky looking. Selling half interest only. Heifer will remain at Blair Athol. Purchaser will receive half of all proceeds. Blair Athol will be responsible for all feed and maintenance costs. If the female enters a donor program, the purchaser will be responsible for half those costs.

BW: 82 lbs.

In 2015, Wanda Wray purchased Mama Cass 48B and left her with us on shares. What a nice investment. Cassie 7D is stylish, square hipped and shows a lot of volume. If you study her pedigree you will notice an added bonus as Cassie's grandmother, 97Y, is a maternal sister to Major. She will be a phenomenal cow and could look pretty nice at Bonanza next summer as well.

This pair of flush sisters are too exciting to let both go, so Jeff says he's keeping one. Flush mates to last year's high seller Debbie Doo 22C who was selected by Lohner Herefords, Kris Gordon and KLJ Livestock. Debbie Doo made a lot of friends over the past 12 months. She's hit the show ring 12 times since sale day, never placing lower than second. Nine times she even went on to be Division Champion or Reserve. The sisters are similar in many ways, both are sweet fronted and extremely eye appealing, but they do have a few things that set them apart as well. 83C is the longer, sweeter made and more conservatively marked heifer of the pair. Huge Red eyes and red to the ground set her apart. 86C is the more moderate, soggyier middled heifer that offers more power throughout. Only time will tell which one is better.

Blair-Athol TW Debbie Doo 22C

Grand Champion Hereford Heifer, Canadian Western Agribition, Jr. Beef Extreme, sold in the 2015 sale to Lohner Herefords, Kris Gordon and KLJ Livestock for \$15,500.00.

One of our "feature breds." Ally 235C would have done very well had we chosen to show her. Tremendous length, beautiful fronted and lots of power. Her dam is a line bred "Duster" with a lovely udder. The "Heaters" make great cows. Score this female high. She has a great future!

Bred on April 20, 2016 to NJW 73S 38W Rimrock 27C ET. Due January 29, 2016.

Owned with Robert Bestrop.

Possibly our lead off bred heifer. Mass and power with lots of natural doing ability. Combine all of that with a beautiful extension through her neck and shoulders, this big red eyed/red to the ground, Masterpiece/Revolution daughter has a can't miss tag attached to her. Note her December 28 birth date. Bred to NJW 73S 38W Rimrock 27C ET on April 27, 2016. Due February 17, 2017.

This April Rhino is real long bodied with a great presence about her. I love her rib shape and depth of flank. She was Junior Heifer Calf Champion at her first outing and will be very competitive this fall. The fact that she is a double bred Mira only heightens the expectations.

Red Bull 200Z

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

EXPORT

Purchases going to the United States will be charged a \$350 per head export fee.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
