From the desk at T Bar...

Welcome to the Value Added Bull Sale but most importantly congratulations on being a part of the cattle industry. Each and every producer has been rewarded this past year for sticking-it-out through the past decade. The future has never shown so much promise and we've only just begun.

For those who have not run a Hereford bull for quite a while, it is time add Hereford influence back into your program. The new Hereford bull will add hair, bone, docility and most importantly, you will get performance through hybrid vigor and you will keep all the daughters. Baldy females are the most sought after breeding females in the livestock industry simply because they are moderate in frame size, highly fertile and awesome mother cows.

This is the 8th Value Added Sale and one of the few opportunities in Western Canada to acquire top quality Hereford genetics....new genetics from Canada's leading Polled Hereford breeders. Although these bulls come from four separate operations, it will surprise you the uniformity in the offering. A handful of two year old bulls are available to compliment the powerful offering of yearling ready for your pastures. This will be a "good Friday" to attend and discover the Hereford advantage for affordable, high valued selections.

Feel free to call or visit with these breeders prior to the sale and they will give you suggestions of the type of bull that will suit your own program. Plan to come early, view the bulls and be guests for a noon luncheon. All the bulls will be semen evaluated, with weights and scrotals available prior the sale.

If, we at T Bar C, may be of any assistance, prior to or sale day, feel free to give Ted or myself a call.

See you in Kisbey

Chris

This calf is just so stout and powerful. He carries an awesome leg to him and a lot of character. He is goggle eyed, red necked and short marked. He is backed by a sound uddered Tracker daughter that can flat out raise 'em. We showed this bull a little; he was Champion Bull at our S.E. Zone Field Day, 3rd in class at Agribition and 4th in class at Denver. A bull with a lot to offer with a bright future.

Selling ½ Interest and shared possession.

Wired is a bull with a tremendous amount of rib, top and performance. He shows a lot of character and is a true heifer bull with his low birth weight. His mother is a beautiful young female that has had birth weights of 78 and 80 lbs on her first two calves. His maternal brother was our high selling bull last year, selling to Spring Mountain Stock Farm at Beaverlodge, AB.

Big, long and stout. Right amount of bone and lots of hair. Red eyed and short marked. Wow! He was a little cold Feb. 6 2011, but you don't need ears to be a herd bull and a herd bull he is. Stetson is a walking meat machine and his daughters coming into production have beautiful udders. Combine that with Scarlet, the most influential cow at C&T and you will get nothing but milk and performance. I'd love to use this bull! Unassisted.

Terms & Conditions

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Hereford or Angus Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health:

All animals in the sale have met all necessary health requirements.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
