From the desk at T Bar...

After ten years of supplying the livestock industry with leading-edge, quality sires who have added value to the beef cattle business, this four-some of Polled Hereford breeders present the most dynamic group of sire prospects ever assembled. Although this is a bold statement, one must explore the offering to understand the depth of quality and opportunities that lie ahead for those who choose to explore or attend.

The breeders who make up the "Value Added" Bull Sale are steeped in tradition... multi-generational families, breeding quality Hereford seed stock. This offering presented by the "new generation" of families, was designed by the survival of the fittest'... for the survival of the fittest!

Consider the opportunities and possibilities this sale offers...
....Chris, Tina and the boys offer ten rugged powerful bulls sired by a dynamic herd sire battery...sons of Wyatt, Zappa, Pinnacle, Zircon, Stroker, and Equity...brothers to females who were dominant during the fall show season!

...Duncan and Jeff offer the best bulls they have ever raised....a full brother to Kate, First Lady Reserve Champion Hereford female by Market Index, sons of Denver Champions, Times a Wastin' and Hometown....sons of BBSF Zach, Master piece, Heater, Major, Classic, Plainsman and an exciting son of Blair-Athol 20X Jazz ET 26Y!

...Corey and George are loaded ...the National Senior Bull Calf Champion and Bull Calf Champion at 2014 Bonanza sell as a feature, and out of the show team, an exciting son of Tank.

...Chad presents the strongest offering in the history of Haroldsons, including the reigning National Junior Bull Calf Champion "Apothic" and a National Class winner by Motive. This program does not need introduction, as they have been the Nation's Premier Breeders for the past several years!

We are all aware of the strength of the beef cattle industry and its future. The "New Hereford" offers all necessary options for the livestock industry, in a fine tuned proportion....ease of calving, heterosis, added performance, temperament, feed conversion.....but most importantly...breed identity!

Plan to be with us for a historic day in the Hereford business....you owe it to your cows!

If we, at T Bar C, may be of any assistance, prior to or sale day, feel free to give Shane, Ted or myself a call...we would be pleased to help you with your selections or questions.

Beau is the youngest bull in our offering and the only Wyatt son to sell. He may be an April calf but he exhibits all the desired qualities of a calf 3 or 4 months older. He is larger framed and long spined with great feet like his old man, who is still covering a large pasture at Kurt's. His yearling EPD shows that exceptional growth rate.
