**VALUE ADDED BULL SALE**

**MARCH 29, 2024 1:00 PM**

**RIGHT CROSS RANCH SALE BARN KISBEY, SK**

5km south of Kisbey on #605 & 4km west

Welcome to the Wilson Lees Value-Added Bull sale on March 29, 2024, at the Right Cross Ranch Sale Barn, Kisbey, Saskatchewan, celebrating their 20th anniversary, these four prominent breeding operations host a "World Class" event providing the livestock industry with the finest Polled Hereford sires to upgrade and add value to breeding units around the globe.

To call this event "World Class" is backed by an amazing record as this group of consignors have exhibited and achieved World Champion Bull status, achieved "Miss World" four times, Agribition Supreme Champion Bull overall breeds and a host of Champions too numerous to document. In addition, Haroldsons achieved National Premier Breeder status for the 12th consecutive year... a record that will never be matched. It is the strength of their cow herds that makes these programs so dominant, established and grown over past generations. Expanding the predictable cow families through embryo transfer has been a key factor in providing uniformity and consistency in type and kind.

The value-added lineup is powerful, with fresh new genetics and high performance. As you scan this catalogue, you will find optimal birth weights, with strong weaning and yearling weights. You will love the muscle shape, the ruggedness, hair, and pigmentation. Many are homo polled and offer new, diverse genetics. This event has been a source for breeder bulls over the past two decades and 2024 is no different. You will find some color in the lineup, as Chad Wilson offers a few Angus sons out of this small, elite embryo-based herd.

The livestock industry needs more Polled Hereford influence infused into the cow herds of our nation. As we attempt to restock the North American cowherd base, the new Hereford offers do-ability, temperament, performance, and breed identity... traits that are undocumented yet very important.

Feel free to stop by any of the farms and preview the bulls and see the mothers. Don't hesitate to give any of these breed leaders a call to discuss their bulls and those which will fit your breeding intentions... they love to visit cattle.

Plan to be with us on March 29th in person, on the phone or online, and do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

Buy 2 Bulls for a 3% Discount  
Buy 3 or More Bulls for a 5% Discount

## Payment Plan

Pay half the purchase price on sale day with the balance on a post-dated cheque for May 15, 2024.

## Site Unseen Purchase Program

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of you have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on, sale day isn't always an option. The four outfits from Wilson/Lees have been raising Purebred Polled Herefords for three, four and five generations. We know what works! Tell us what you need; growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners; the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

View the catalogue online at **WWW.BUYAGRO.COM**

Please bring this catalogue with you to the sale.

I really like the body shape, muscle, and mass that this moderate framed bull possesses. Like the hair and pigment this bull has. His mother is a direct daughter of the Nellie donor at RSK Farms.

This short-marked Pavati son really catches your eye. This bull has some length and extension but still has that big square hip with some added muscle and stifle. I really like the head and the character on this bull. His mother has been an excellent producer. Be sure to check this breeding piece out.

Paramount is a very stout made bull with that added shape down his top and out his hip. I really like the character and cosmetics on this guy. His full sisters were 2 of our feature females last fall. His mother has been our go to donor and certainly keeps producing at a level that is hard to match.  
**Homo polled.**

This Dominate bull calf is a long hipped, long bodied bull who is really smooth made with a fault free structure. Take note of his birth weight. His full sisters are really quite impressive.

Pavati is a moderate framed, stout made bull that should sure keep birth weight in check. I really appreciate the added pigment and style of this extra aged bull.  
**Heifer approved.**

**129K**

I really like this Royal 2-year-old. He is a big topped, stout made individual who is very good footed, and sound structured. His females should certainly be top notch replacements and the real-world kind.

Bedard 59L was named after the Regina Pats phenom Connor Bedard who looks like he is on pace to win Rookie of the Year in the NHL. I wanted the calf that carried this name to be a great one, and 59L has as much potential as any I've ever raised to be that great one! Industry wide, the Rimrocks are known for their maternal punch, and combined with the Applause 122G donor cow this guy will sire some great ones. If you are looking to retain or sell breeding females, I'd recommend pitting in on this one. Bedard is a big solid made calf with a great look to him. He's sound and stout and has a great temperament. We showed him successfully last fall at Edmonton and Agribition and he hasn't missed a beat since then. Maternal brother to feature 2 year old 86K who sells as Lot 57.

Owned with Anita Doktor.

**Homo Polled Test Pending**

DVL 122G - Dam

Really like the style, length and soundness of structure this Patent son gives us. Not hard to understand why when you study all the great cows in his pedigree. Full brother works for Wendell and Michelle Martins in Manitoba. This bull will sell in his entirety but we may be interested in purchasing a half interest back in him if it works for the new owners. Reserve Junior Bull Calf Champion at Ag-Ex 2023.

If you're looking for pigment, you've likely already marked this guy. Red necked and tons of eye pigment make this one tough to not notice every time you walk in the pen. Another one of these good McCoy Patent sons, this one is out of the Nasdaq Deb cow family. Her mother is a full sister to the Debbie Doo donor that did so well for Matt Lohner and Kris Gordon.

# BLAIR-ATHOL

**25L**

Extra horsepower here! New York 25L is a big, easy doing, good haired and stylish Patent son. His dam is a big volume cow with a super udder. This cow hits it out of the park every year.

**58L**

A big solid square hipped bull with a strong cow family backing him. 58L comes out of the Catalina family at Remitall West, ensuring milk and performance. This guy would work on any color of cows you want him to.

This is the one we've been waiting for and quite honestly as I write his footnote, I'm not sure why we are letting him go! We've been looking for one like him for years. Homo polled, pigmented, heifer friendly birthweight, outcross pedigree and made almost as right as we can make one. That coupled with as good of a cow family as we own, makes him one that's tough to let go of. He's out of the Chickadee 131D donor, making him a maternal brother to Applause 122G. We think enough of this guy that we would like to collect in herd semen to use here, and will retain a semen interest in him.

**Selling ¾ interest, Full possession.  
Heifer Approved

95 lbs.	792 lbs.		4.0	59.0	92.3	33.9	63.4

Really like this young April bull. Lots of style and growth. Mother is a hard working, good-uddered young cow. I would expect him to be heifer friendly, even though his birthweight doesn't indicate that.

## 143L

# BLAIR-ATHOL

10L

Frame and performance here!! Sire 107H was Senior Champion Bull at Agribition 2022. This bull has some added length and size, his dam always raises them that way. Maternal sisters have sold to Erinbrook and Lian-Mor in Ontario. Jason Wells purchased a maternal brother in 2022.

Dark colored with length and style. Max daughters are some of our best, this guy should produce that same quality.

**Owned with Rea Mahaffy**

Elite 2 year old here. Heifer friendly and out of possibly the best cow on the ranch. This Endure son has a ton right about him. Good fronted, soft middled and sound made. I like a lot about him and love his cow family. Applause is perfect uddered and productive. 86K is a full brother to RaRa 155K that Hannah showed so successfully last year, winning division Championships at Farmfair International and Agribition. RaRa looks even better now, in production, and may hit the show road again this summer. 86K is also a maternal brother to Bedard 59L Lot 40.

**Heifer Approved**

Powerful 2 year old here that can cover a lot of cows. This guy is stout boned and solid made. Just a mid-April born two year old, who has always been well liked here. If his birthdate wasn't so late, he would have been in the sale last spring. His Sire "Crush" is a full brother to Donor cow Sassy.

145J - Full Sister to Sire

## 160K

# BLAIR-ATHOL

## 70K

This big stout 2 year old saw heavy use here last summer. We kept him back with intentions of using him lightly and then getting him ready for Agribition but after a couple of bull injuries, we ended up adding more and more cows to his pasture. Calves will be on the ground in early March. 70K is a maternal brother to Applause 122G and out of donor dam Chickadee 131D. There is power in the blood here. We've always liked this guy a bunch and I think you will too!  
**Homo Polled Test Pending**

## 45K

Big solid Glitz son out of RVP 18B. This guy will add pounds to your calf crop. His mother has been a solid producer, with this being her 6th son in a row to sell in the bull sale. Previous sons work for Twin Curves Ranch, Bar JB Ranch, Charles Davis, Terry Volk and Rockin H.

# TERMS & CONDITIONS

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Certificate of Registration:** Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**Pedigree Estimates:** Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**Health:** All animals in the sale have met all necessary health requirements.

**Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

**Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value.

**Errors:** All announcements at sale time, written or oral, supercede any written material in the catalogue.
