Buy 3 or More Bulls for a 5% Discount

Payment Plan...

Pay half the purchase price on sale day with the balance on a post-dated cheque for May 15, 2019

Site Unseen Purchase Program...

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of us have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on, sale day is always an option. The four outfits from Wilson/Lees have been raising Purebred Polled Herefords for three, four and five generations. We know what works! Tell us what you need; growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners, the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

From the desk at T Bar...

Welcome to the 15th Annual Wilson Lees Value Added Bull Sale, April 5th at the Right Cross Ranch Sale Facility, Kisbey, Saskatchewan. For a decade and a half, these four progressive operations have been livestock breeders of value-added Polled Hereford sires that have added identity and value to herds throughout North America. Each breeding operation of this annual event are now into the third generation, with some going on to the fourth. Over the years, these Hereford breeders have been responsible for a great deal of history in the breed and the livestock industry.

Are these programs competitive...most definitely and have been for many years. It is that competitive nature that makes this event a "must to attend". The Value Added Bull Sale is the source of new, exciting genetics that the Hereford breed has to offer. The 2019 lineup includes several individuals that have already been judged to be of high quality, as they competed and came out victorious at Agribition. The 2018 Reserve Champion Bull at Agribition was selected through this same sale ring exactly two years ago. The offering is full of excitement and diversity, excitement of power and quality, stout bulls with hair, lots of hair, great dispositions, plenty of testicle and complete with muscle shape and depth, diversity in genetics and phenotype. Bulls for all types of programs and all types of budgets...power bulls to use on cows, calving ease bulls for your heifer pasture and those that will work in both pastures. Congratulations are in order for Corey and all the troops at Glenlees on your World success; in addition, at Agribition and to Chad, how many years in a row or combined has he won the coveted Premier Breeder award?

The past winter has taught us some very good lessons...hair, efficiency and conversion are imperative to compete with Mother Nature's wrath. The Hereford offers those three essentials in addition to breed identity, longevity, temperament and hybrid vigor. It's what a "baldie" is all about, whether they are red or black. Feel free to visit any of these breeding operations prior the sale (Chris, Corey and Jeff live a mile apart) and preview the bulls in their natural environment where you can also see the mothers. Do not hesitate to give any of the breeders a call, discuss their bulls and which bulls will suit your pasture needs. If we, at T Bar C, may be of assistance, prior to or sale day, please contact any of the T Bar team and we will be pleased to offer our professional services.

PCL LADY LUCK 11X 62A
 PCL LADY LUCK 609 28Y

Probably the most talked about calf at Blair Athol last summer. This big, perfectly marked, Mr. Hereford is so attractive, soft made, with lots of growth and thickness. His mother is a moderate framed cow with a perfect udder. Maternal sister sold to Phantom Creek last fall for \$6,200.

Owned With Robert Bestrop.
 Blair-Athol with retain 1/4 semen interest.

THE WHITE FACE ADVANTAGE

THE VALUE OF HEREFORD GENETICS IN THE COMMERCIAL INDUSTRY

Two recent, large scale research projects document the Hereford Advantage on Circle A Ranch:

- Hereford-sired calves have \$30 advantage per head and 7% fertility advantage compared to Angus - sired calves
- Hereford bulls compare to Angus heifer bulls in calving ease when bred to Angus first calf heifers
- Using Hereford bulls on Angus females added \$51 per cow per year to the bottom line
- Due to the longevity and fertility of Hereford-sired females in comparison with straight bred commercial Angus females, Circle A selected 20% less replacement females for their herd over 10 years
- Hereford-sired feedlot steers had better weaning weights, better daily gains in the feedlot, and better feed conversion compared to Angus-sired steers
- Due to efficiency on the ranch and in the feedlot the Hereford-sired steers netted \$29.90 more value per head compared to the Angus-sired calves

**LET THIS WHITE FACE GIVE YOU AN
ADVANTAGE IN THE MARKET -
IT WILL PUT YOU IN THE BLACK.**

Terms & Conditions

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health: All animals in the sale have met all necessary health requirements.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance: Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supercede any written material in the catalogue.

Thank You to the 2018 Bidders and Buyers
