From the desk at T Bar...

The third Sunday of October has become a Hereford tradition in Southeastern Saskatchewan... hosted by the Lees family whose history stems back over a century in the Hereford breed. The name Blair Athol is synonymous with quality seed stock and breed involvement on regional and national levels. This past summer, Duncan and Jeff hosted an awesome Southeast field day. Despite the rain and thanks to the barn, those who attended had a preview of the fall offering...in addition to the always wonderful hospitality.

This event offers the largest group of bred heifers to sell in the fall season. They are diverse in genetics and phenotype and offer ideal opportunities to put added value into any breeding program. The services to the new cutting edge sires enhance this great offering of bred heifers to ensure their new owners a higher return on investment. The heifer calf prospects in this event are "Kick-@##" with a few that can go under the category as big time! These young females will be competitive but most importantly, will go on to enhance many front pastures.

The breeders involved in the Blair-Athol-Haroldson's sale have made a huge impact on the Polled Hereford industry. We must realize that the last four out of five years, the premier breeder at Canadian Western Agribition has been a member of this sale... (Blair Athol in 2009 and Haroldson's in 2011 through 2013)...an achievement attempted by many...accomplished by few.

The "Sweep Steaks" weekend is a highlight in the Hereford industry, great seed stock, awesome hospitality and fellowship. Due to the state of the livestock industry and an increased demand for Polled Hereford bulls, one can ill afford not to upgrade their program with new, young, fresh genetics as North America begins its long term restocking. On behalf of the Lees, Wilsons, Mitchells and Wrays, this is your special invitation to be with us and enjoy another page of the Hereford tradition.

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give Shane, Ted or myself a call.

See you at Duncan's.

We have not been as excited about a heifer calf at Blair Athol for a long time. This Time's A Wastin' never looks bad. Powerful top, depth and spring of rib, great hip and leg set hooked onto a fantastic front third. A maternal sister sells as Lot 24. Owned jointly with Robert Bestrop. Some visitors have picked J Lo 14B as our best heifer calf. Sweet fronted with lots of top, deep ribbed and big butted, she will show and more! Out of the great breeding Centerfold cow that was purchased by Abby Hill for \$11,000 in 2008. She is a clone of her mother! A full sister sold to the Freitags in 2013 and is doing a great job. Maternal sister sells as Lot 23. Owned jointly with Abby Hill Farms. Entered in Agribition.

Merry Melody is a powerful, long sided, deep ribbed Market Index daughter. Her dam 144X was purchased by Rafter U in the 2011 C & T sale from the Nicholas family. Last year's heifer was purchased by Lakes Ranch. This is a wonderful heifer with a very bright future. She could show this fall or in 2015 and will make an awesome cow. 18B and 230B, Lot 1, are possibly the first and only Time's A Wastin' daughters to sell in Canada this fall. Time's A Wastin' was Overall Supreme Champion Hereford Bull at Denver in 2013. We were so impressed with him and his progeny, we had to use him. We have been more than happy. Easy calving, acceptable birth weights, lots of pigment. Indigo 18B is typical, straight in her lines, sweet fronted, lots of top and a butt end that carries right down into her hock. She may well be part of our show team, a decision to be made by sale time. A maternal sister sells as Lot 28.

This heifer, in my mind, really has a lot to offer. Our Motive progeny have been some of our best and most consistent. You look on the bottom side and find Boulder and the great SBS Ette 2E cow. When you look at the calving ease and low birth weight on this heifer, coupled with the fact she is carrying service to Red Bull, the resulting progeny will be very marketable.

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
