Site Unseen Purchase Program...

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of us have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on. Sale day is always an option. The four outfits from Wilson/Lees have been raising Purebred Polled Herefords for 3, 4 and 5 generations. We know what works! Tell us what you need, growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners, the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

View the Catalogue online at
www.buyagro.com

Please bring this catalogue with you to the sale.

From the desk at T Bar...

On April 7th a rare opportunity will occur... the opportunity to bid on and own one of the three top Junior Polled Hereford bulls in the nation! The Junior Bull Calf Champion, the Reserve Junior Bull Calf Champion and a class winner who was a very close runner-up in the Agribition championship drive, all go under the hammer sale day... then add in the 2016 Reserve Bull calf champion to the mix allowing purebred and commercial producers an opportunity to own some of the breed's finest young sire prospects!

The Value Added Bull Sale has been the source of quality genetics. The Lees families and the Wilsons are multi-generation operations steeped in quality and tradition of producing and supplying ranchers, farmers and seed stock producers the newest freshest genetics available to add value to their programs. This occurrence is not by chance but rather years of building, breeding and selecting the type of product that will fit the customer's needs.

The line-up for 2017 is powerful and dynamic... four operations bringing you a genetically diverse offering; suitable for any operation and every type of budget. Each and every bull offered carries an extra dimension of maternal strength... a trait which is so important in the replacement pastures of the nation. Whether you are looking for a bull for your heifer pasture, a power bull for bigger cows or one for both, the bulls are here to fit your needs.

The livestock industry is in a positive position and we must always look forward. Top replacement females bring a premium in any type of market. Having Hereford influence in your replacement pastures add even more value... hair, disposition, forage conversion, vigor at birth and breed identity are traits and enhancements that cannot be graduated into numbers on a pedigree.... they are just taken for granted!

Plan to be with us for a "value-added" day in Kisbey.... it will be well worth the trip! Feel free to stop by any of the operations prior the sale where you can see the mothers or do not hesitate to give the boys a call, as they will be pleased to assist you with suggestions as to bulls that will suit your requirements.

If we may be of assistance prior to or sale day feel free to call any of the T Bar Team or myself, we are willing to assist you in a professional, confidential manner.

 WILGOR 47K DANCETTE 37H 41N

Fault free and one of the best we have ever offered for sale. Class winner at Agribition, thick, deep, sound footed with a herd bull's head and hair to burn. His dam is the great Centerfold \$11,500 heifer calf in 2008. Centerfold went on to a great show career and is now a front pasture brood cow.

Pigment: Right Eye - 70% Left Eye - 60%

UNASSISTEDSELLING 3/4 INTEREST/FULL POSSESSION. Owned jointly with Abby Hill Farms, Richmond, ON

Excaliber 40D - Lot 2

Excaliber 40D - Canadian Western Agribition 2016

Third bull in a row out of 77Y to make the sale. Others sold to Lyal Cowan and Nora Weightman. Tremendous bull many will pick as the best one. Check his milk #29.9 and total maternal of 61.0
 Pigment: Right Eye - 100% Goggle Left Eye - 20 % UNASSISTED

DVL 51B - 3/4 Brother sold to Glass Land and Cattle for \$18,000.00 in 2015 bull sale.

Mighty Max 97B was our pick of the 2015 NJW sale. Unfortunately we lost him last summer so his progeny will be limited. Gunsmoke 157D made as many friends as any calf we had last summer. Long sided, deep ribbed, soggy with tons of hair, 3/4 brother sold for \$18,000 to Glass Ranch in 2015. Maternal sisters work for Medonte, Brooks Farm, Danny Richards and Blair Athol. You could build a cow herd around this guy!

This two year old is big and stretchy and will breed a lot of cows. We thought he was a little young for last year's sale. We used him to clean up a couple of pastures last year. Will be D.N.A. profiled by sale time.

Another deep made Shameless son. Big ribbed, soggy, loose made and wicked dark coloured with goggle eyes. Massive amount of shape and hip. Quiet and easy doing.

Terms & Conditions

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health: All animals in the sale have met all necessary health requirements.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance: Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors: All announcements at sale time, written or oral, supercede any written material in the catalogue.

Here is the natural calf out of Jessica. This bull is extremely hard to fault. He is long sided with some added look. He is big middled and stout made with a tremendous hair coat. His mother has been extremely fun to work with. She was a Champion and raises them too; also has offspring across the country that are making an impact.
 Heifer Approved.

Haroldson's Polled Herefords...

Apothic ET 26D - Lot 49

Apothic ET 26D - Canadian Western Agribition 2016

These two Apothic flush calves are definite beef bulls. They are big bodied, easy fleshing bulls with an abundance of shape and muscle. Being out of the Jessica cow family makes these guys very appealing. 26D was Reserve Senior Bull Calf Champion at CWA.

Haroldson's Polled Herefords...

Here is a bull that should attract some friends on sale day. This red necked, red eyed Rhino son is a full sibling to our high selling bred heifer last fall to Blairs.Ag. He is long with that extra volume and sweep to his rib. He is a stout made, heavy muscled individual who is also very sound structured.

28D is a flush mate to 21 and 26D. This bull is very sound made with that extra extension to add pay weight to his offspring. These Apothic calves are the rancher's kind.

Haroldson's Polled Herefords...

Upgrade 33D - Canadian Western Agribition 2016

Upgrade is bull that I really admire. This bull is massive middle with excellent turn to his top. He is a very sound made individual who is packed with muscle and full of shape from all angles. He is a proud, upheaded individual with great breed character. Combining Tahoe with Nasdaq only makes him more appealing. I can imagine the daughters and can't wait to see them. He was Junior Bull Calf Champion at CWA.

This Red Bull son would be an excellent choice if you're looking to add some calving ease. This bull is very nice boned with a smooth shoulder and a great front end. When you get behind him you will appreciate his muscle expression. His mom is a beautiful 2 year old. Heifer approved.

Churchill Red Bull 200Z

Insight is a bull that has a bright future ahead of him. He is a low birth bull that is tremendous through his shoulder and front end. Analyze this bull from his shoulders back. We love the fore rib and the turn to his top. He is wide pinned, heavy muscled and very expressive in his stifle. The pedigree, the data, the phenotype, it's all here on this one. His mother has that ability to consistently crank out great ones. She raises champions and won every division when she was shown and has offspring from coast to coast. Insight will see heavy use here. Heifer approved.
